

Noah's Ark

Genesis 6 - 9

I am making everything new.

Revelation 21v5

Noah was only good man in the world, everybody else was bad. God wanted to start again so He told Noah to build an ark and to take two of every kind of animal with him. Then God made the rain come down until there was a great flood that covered the world.

Only those in the ark were safe. When the waters had gone, Noah came out of the ark. God put a rainbow in the sky and promised never to flood the world again.
